

IBEF member news

E&E Congress 2020 technical session on Bitumen Emulsion Technology

Dear IBEF member

I am very pleased to inform you directly about a great opportunity for IBEF members to contribute to our vision and raising the voice of bitumen emulsions.

The E&E congress is an established industry platform, dedicated to the sharing of best practices and technology trends within the bitumen and asphalt community. These messages are also widely communicated to important industry stakeholders.

We have just had confirmation that E&E will allocate a specific 90 minute technical session during the congress Technical Programme for **bitumen emulsion technology**.

Timing

The deadline for abstract submission is currently set as **30th October 2018**. The system will remain open for abstract submission until **9th November 2018**.

If successful the deadline for full-paper submission will be **15th August 2019**. Papers submitted after this date are not guaranteed to be accepted for the congress.

Abstract submission - Category

Using the link from the website and select emulsions category within the abstract module.

<https://www.eecongress2020.org/programme/call-for-abstracts/>

Please share this opportunity internally with your members and encourage you to take advantage of this excellent opportunity and action today!

Gaylon Baumgardner

President IBEF
