

Industry Specialist Support

Are you employed in Civil Construction and doing an apprenticeship?

AGA provide tailored support to help you get the most out of training.

AGA Industry Specialist Mentoring includes:

Tailored one on one mentoring from a qualified industry specialist.

Help with enrolment, or assistance with training if you need help.

Specialist industry specific advice and help at work.

Coaching and advice.

Help with personal issues, no matter how big or small.

This industry specialist support is a free service.

What is Industry Specialist Mentoring for Australian Apprentices (ISMAA)?

ISMAA is funded by the Australian Government and provides intensive support to apprentices and trainees in the first two years of their training in industries that are undergoing structural change.

ISMAA complements other Australian Government support for apprentices, trainees and their employers through the Australian Apprenticeships Incentives Program, Trade Support Loans and the Australian Apprenticeship Support Network.

ISMAA is delivered by Service Providers across Australia in major cities as well as rural and regional areas.
